Program (project) of the representative office of the non-profit organization for  
\_\_\_\_\_ year.

№	Event name	Implementation period	Location	Financing (other resources for implementation)	Other information (cooperation with Belarusian organizations, necessity of attracting foreign specialists, etc.)

Within the framework of programs and projects implementation, the organizations' representative offices on a competitive basis may allocate financial, material and other resources (grants) to public associations (organizations) and citizens.

The allocation of grants outside the programs and projects of the organization representative office is prohibited.
